

Retreat, Books, Booklets Posters, DVDs, Cds, Slide Show, Chi Cards, Post Cards and other products prepared specially to develop and support a deeper understanding of the Universal Healing Tao Practices.

The Best of Sellers

Universal Healing Tao Books

Inner Alchemy from the Stars

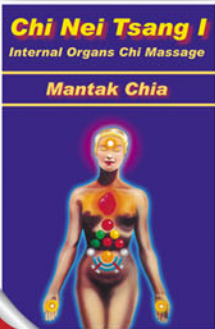

The stars that govern our planet have many wise messages for us. Taoist or Chinese Astrology uses essential data from your first breath of air: the time, day, month and year of your birth. How these energies interact will help you to understand your strengths and weaknesses and events in your life.

B59 \$23.51
180 Pages

Co-Authored with
Christine Harkness-Giles - 2011

Chi Nei Tsang I

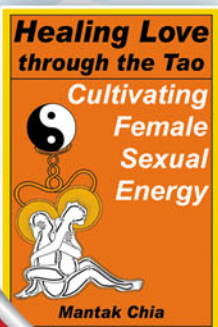

Massage the internal organs directly, releasing negative emotions, stress, tension and sicknesses that congest the abdomen and obstruct vital functions. Heal yourself and facilitate healing in others through their own efforts. A beautiful and insightful guide to working in the abdominal center.

440 Pages

amazon.com

Healing Love through the Tao

The secrets of transforming and circulating female sexual energy. Eliminate energy loss from menstruation, conserve and store ovarian energy in the body, exchange and balance male and female energies in the body.

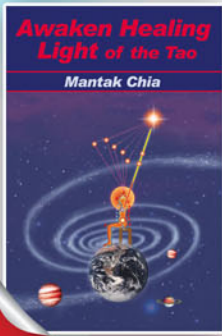

B06 \$22.85
320 Pages

amazon.com

World famous Taoist Chi Kung master, Grand Mantak Chia, who has over forty years of experience in health, meditation and martial arts. He has written 33 books which have been translated into over 30 languages.

Awaken Healing Light of the Tao

Comprehensive basic and advanced instructions for realizing your inherent energetic potential. Get in touch with your primordial energy, refine, transform and guide your life force through the acupuncture channels making up the Microcosmic Orbit.

4

B11 ~~\$24.17~~

amazon.com

640 Pages ~~\$9.67~~

Taoist Ways to Transform Stress into Vitality

Taoist methods to transform emotions and stress into creativity, learning, healing and peak performance. Get in touch with your organs and glands with the Inner Smile, cool the body's key systems, eliminate trapped energy and clean out toxins to return the organs to peak condition with the Six Healing Sounds.
