TO ALL EUROPEAN INSTRUCTORS

Dear Senior, Certified, and Associate Instructors

Thank you for being part of our Worldwide **Universal Healing Tao**, Healing Tao, and Tao Yoga Instructor Faculty (WUHTIF).

We are happy that after 30 years of spreading the Tao, good solid bases have been created: the Tao Garden Wellness Retreat, 36 books in 20 languages, DVD's, and many other products are available from the **Universal Tao System (UTS)** to support you. As we are growing, more and more people and guests are asking us for available and qualified instructors around the world.

An additional evolutionary step now towards our mutual benefit is revising the UTS structure, as well as to renew our teaching commitment, based on respect and freedom. Looking forward to achieve this purpose, I initiated for **2008 in Europe** two events.

- | | | |
|---------------|--|---|
| 17. - 26.9.08 | 10 day European Instructor Training – EIT
(for Associate Instructors to become Certified Instructors)
(for certified instructors: to deepen and upgrade your energy) | Universal Tao France will send a e-mail for this event. |
| 27. - 28.9.08 | 2 days European Instructor Retreat – EIR
(updating and strengthening the community for all European Instructors) | see attached EIR documents |

We will offer such an Instructor retreat (EIR) every four years (2008, 2012, 2016 etc) in different European countries. This first EIR-event is gathering our co-investment towards a more homogeneous teaching system and healthy, long-term future existence of our system.

We all can enjoy teaching as independent individuals and feel mutually supported by our united **European Instructor Network (EIN)**, using the synergies created between all of us. Your participation is therefore very important and is a **necessity** if you intend to continue having the Universal Tao System teaching status and using our teaching materials.

If you are unable to attend, it is possible to ask an active Senior or Certified Instructor to be your support person to represent your voice at the retreat. Please use for this purpose the attached "EIR-Support-Representative Registration". Because our first ALL-EIR is a large event and logistic challenge for our organization team the deadline for your registering is **30th NOVEMBER 2007**.

If for any reason you feel the EIR is neither worth your attendance nor co-investment to enrich and improve our teaching system, then I suggest you inform us **by 30th NOVEMBER 2007** of cancelling your teacher agreement and thereby releasing your teacher status. Additionally, upon date of your cancellation, in respect to our active instructors and our worldwide copyrights, we ask you to stop commercially using all our teaching materials, worldwide copyright on books, tapes, videos, names, logos and products.

Neither register for the EIR event nor informing us by **30th NOVEMBER 2007** we understand you as a non-active teacher and by the end of year 2007 your name, address will be transferred into the UTS participants list.

The intent of our gathering is in coming together to share and talk about the joy of teaching people to be healthy via the Universal Tao System and our qualified teacher instructor faculty.

I send you my best greetings and look forward to meet all European Instructors 2008 in France.

INFORMATION for **SUPPORT-REPRESENTATIVE INSTRUCTORS**

Because we really want to see you all, we do hope that no instructor will have to use this form. Yet we are aware that sometimes, despite our best intention and will, unchangeable circumstances occur, hindering us to participate. The first all EIR is very important for our UTS-future and we ask any instructor who takes upon himself the responsibility to represent fellow instructors to do this in respect and awareness of the following points:

- 01 You must have a 100% attendance of the full two days at the EIR Gathering
- 02 You can support-represent only up to 2 instructors. They must live in your country.
- 03 You will transmit all information to the instructors immediately after the EIR.
