Dear European Instructors,

first of all let me, Mantak Chia, thank you all for sharing the path of Tao with me and giving me your trust.

It took me 20 years to write 24 books and another 15 years to build up TAO GARDEN HEALTH RESORT. Now time has come to face the steady growing amount of instructors and their importance in the system.

Congratulations to you, taking the opportunity of coming together and create the biggest Taoist Meditation Group in Europe. This high energy will give us enough lightful Chi, to look at our system and find a way to make it more stabile and helpful for everybody.

Let me show you my visions of the future, how transformations have already changed the UNIVERSAL HEALING TAO and what we can do, to give it a more helpful form.

Let us come together and share our Energy, trust the Source and stay in the Orbit.

Please note the following, more technical information, given by my Organization Team.
