

## PASSING DOWN THE UNIVERSAL HEALING TAO LEGACY FOR FUTURE GENERATIONS

It is my intent with our Mission-Vision 2008-2012 to support the UHTS, and its WUHTIF into their next stage of interdependence. For the purpose of clarity for everybody in the Universal Healing Tao Community I declare my intent on all levels of the UHTS as well as some principles and values that are important to me in the process of passing down the system to future generations.

### **MASTER CHIA**

#### **UHT Continental Network Center Asia**

*Master Chia*

#### **FOR UHT – organisation**

To have the global brand name “Universal Healing Tao” used globally in order to build its reputation worldwide under the same name and in order to license UHTI Teams to grow UHTS on each continent.

Principles                      Collaboration, extending trust, win-win and mutual benefit

#### **FOR UHTS – Its 4 Branches**

To see the 4 Branches grow and develop enough to be passed down to future generations by dedicated UHT Instructor Teams on each continent in order for the UHTS to continue on in the world.

Principles                      Gratefulness, Thankfulness, Appreciation

#### **FOR UHTC – Continental Network Center Asia**

The UHTC in Thailand as a first example of a Continental Network Center as well as headquarter of UHTS where research, educations and trainings in all UHT Branches take place.

Principles                      Virtues we are practising within the 9 UHTS Formulas

#### **FOR WUHTIF – all UHT Instructors**

To grow together in trust, mutual cooperation and support each other into a globally connected UHT Instructor Family. To set up a powerful WUHTIF and to see that the UHTS becomes part of all instructors globally and all of the instructors taking part in the joy of expanding together our UHTS.

Principles                      Cooperation, mutual support, extending trust

#### **FOR Tao Garden Health Resort**

To provide a Health Resort where ancient wisdom and modern medicine and technology serve the higher levels of the immortal practices within the UHTS.

Principles                      Service, healing,
